- Hazardous/toxic waste, liquid waste, liquids of any kind – motor oil, cleaning products, bleach, paint, water, etc.
- Tires
- Animal carcasses
- Yard waste
- Batteries -batteries should NOT be stored together – it is a fire hazard (there is no such thing as a dead battery).

BULK WASTE SERVICE

- Bulk waste and large items are collected on an on-call basis for a fee. Call advanced Disposal at (888) 443-1717 to schedule a pickup.
- Lumber must have nails removed or bent down to avoid injury, no longer than 3-4 feet in length and no larger than 2 inches thick and bundled and tied with rope.
- Paint Cans (water-based, latex paint only) – must be empty or completely dried and have lids removed. If paint is still present, stir in kitty litter. Once completely dry (check the middle) set out by trash cart – do not place in trash cart.
- Items NOT accepted for bulk pickup include: flammable items – i.e., gas cans (full or empty), kerosene cans (full or empty), propane tanks (full or empty), tiki torch canisters (full or empty), ammunition of any kind – live or spent cartridges, etc., tires, cement, rocks, brick, dirt, etc. Items containing Freon – i.e., refrigerators, freezers, air conditioners, humidifiers, de-humidifiers, etc. – must have refrigerant removed by a certified technician and properly stickered as such. Refrigerators and freezers must have doors removed for safety purposes. Batteries – they should NOT be stored together – it is a fire hazard (there is no such thing as a dead battery).

HOLIDAY SCHEDULE

If the following holidays fall on or before your scheduled pickup day – all services will be one day delayed, unless the holiday falls on a weekend.

- New Year's Day
- Memorial Day
- Labor Day
- Independence Day
- Thanksgiving Day
- Christmas Day
